

CSR Statement

The management of the Badhuis Hotel in Utrecht attaches great importance to Corporate Social Responsibility (CSR). Badhuis Hotel Utrecht focuses on sustainability in its business operations, with a close eye on matters such as People, Profit and Planet. This is visible in:

1. Optimizing/maintaining professional knowledge of the staff. Part of this is the focus on Corporate Social Responsibility. (CSR)
2. Informing our relations with guests, visitors, colleagues and suppliers about measures we take at Corporate Social Responsibility.
3. Making voluntary contributions to activities such as sponsoring local charities in the area on an ad hoc or permanent basis.
4. Continually working on reducing CO2 emissions by reducing our energy consumption, water and waste and by monitoring this. In addition, Badhuis Hotel Utrecht is investing in economical installations and equipment.
5. Continually working on improving the Badhuis Hotel Utrecht purchasing process when it comes to purchasing goods and services with an environmental and/or social quality branding.
6. Purchase as many environmentally friendly products and services as possible from suppliers that match the objectives of Badhuis Hotel Utrecht when it comes to corporate social responsibility.
7. Drawing up a CSR plan annually and making budgets available for its implementation.
8. Annually evaluating our CSR policy and drawing up spearheads in this area for the next two years.
